In continuation to previous letter on the subject cited above. I am to say that, in the wake of the swine flu pandemic in some parts of the country, it is advised again:

2. Morning Assembly be kept suspended at least for 15 days.
3. Every student be checked at the entrance of the school and again in the class room by the class teacher to locate student(s) with the symptoms similar to those of swine flu.
4. Children with such symptoms be sent back home with the instructions to consult the doctor and the parents are to be informed immediately.

These instructions may be conveyed to all the Principals of your region and be followed till situation improves.
